

## K-CHILDCARE

The K-Childcare system is KerMac's version of the industry standard which meets all regulations for Childcare partitions. If you are looking for vibrant colours or a more reserved tone KerMac can provide you with the right design and colour solution for your childcare partitions. With this system available in Compact laminate, Swiss CDF, Laminex Structural Board HPL, Laminex HPL and Melteca laminate KerMac has an extensive selection of colours to suit your needs. Unless specified otherwise doors are made with a sloping top but any custom design is possible.
