Laminex New Zealand®. A division of *FLETCHER BUILDING PRODUCTS LTD.* The colours of the photographs depicted in this brochure are as close to the Laminex range as photographic lighting and modern printing processes allow. Colour/finishes shown are available at the time of publication, but may be withdrawn. Laminex Structural Board is marketed, distributed and manufactured by Laminex New Zealand®. Dark colours and gloss finishes require more care and maintenance than light-coloured and lower-gloss surfaces. Laminex New Zealand® recommends the use of laminate cleaning products for dark colours and gloss finishes, please visit laminex.co.nz for specific care and cleaning information. Please note that in certain lights or from different angles wipe down marks may be visible. The Laminex Structural Board is no different than any other material in that darker colours will always show scratches and superficial wear and tear more readily than lighter colours. Laminex Structural Board decors should be protected from strong, direct sunlight as continuous exposure may cause discolouration or fading to the surface over time. Please obtain a copy of the terms and conditions of the Laminex 7 year limited warranty from Laminex New Zealand® or visit our website. This warranty is in addition to any rights that may exist under the Consumer Guarantees Act (1993).
